2020-2021 New Family Buddy Program

Welcome to SJS for the '20-'21 school year. We are excited to have you joining us! We are reaching out to say hello and let you know that the Family Buddy Program is here to be a point of contact for you as you make your way through the school year. We know that there can be a lot of questions that arise when starting a new school, especially these days.

Below you will find the names/contact info for parents who have kids in your incoming students' grades; we've all been with SJS for several years and we are happy to help! Please do not hesitate to be in touch!
